# Intent of the Workshop

- Provide basic information on organic strawberry, raspberry and high bush blueberry production
- Stimulate interest in organic small fruit production in the Maritimes
- Provide a forum to allow new producers to get together and meet production specialists
- Identify resources: people, websites and written materials
- Initiate a momentum for the Maritime Organic Berry Network (MOBN)

# Workshop Program

8:45	Registration
8:45 – 9:45	Basic Agronomy
9:45 – 10:00	Break
10:00 – 12:00	Organic Raspberry Production
